

DEMENTIA ESSENTIALS

CHCAGE005 Provide support to people living with dementia

This nationally-accredited course is designed to assist workers supporting people living with dementia. Strategies are explored to assist with good communication, planning, developing appropriate activities and understanding behaviour in people living with dementia.

Available at various locations or at your workplace

3 DAY PROGRAM

Topics include:

- person-centred care
- the nature of dementia
- effective communication
- impact of dementia
- activities for engagement
- understanding changed behaviours and developing effective responses
- supportive environments

The completed competency can be credited towards further study in aged care.

You **MUST** be able to undertake a workplace assessment under supervision, interacting with people living with dementia.

Note: Participation at all three sessions is essential

Statement of Attainment will be issued by Dementia Australia Limited RTO CODE: 2512
