The *Superintendent*, thereupon, and upon otherwise becoming aware, shall direct the *Contractor* as to the interpretation and construction to be followed.

The *Principal* shall not be liable upon any *claim* for compliance with a *direction*, under this subclause 8.1 unless the *direction* is a *compensable direction* and either:

- (a) which have already been included in the value of a *variation* or any other payment under the *Contract*,
- (b) caused by inclement weather or its effects, even if that inclement weather or those effects would not have delayed the *Contractor* but for an earlier delay caused by a *compensable cause*, (except to the extent, if any, that *Item 26* provides otherwise);
- (c) to the extent that the *Contractor* has failed to take all reasonable steps to mitigate the delay or the extra costs incurred.'

## Annexure Part B to AS4000 – 1997

### 36 VARIATIONS

---

At the end of subclause 36.1, insert:

'The *Principal* may itself perform or engage others to perform any *work* which is omitted pursuant to this subclause 36.1 without payment of monetary compensation to the *Contractor* for doing so. No *variation* shall invalidate or amount to a repudiation of the *Contract*.'

Delete the existing text of subclause 36.4 and replace with:

'The *Superintendent* shall, as soon as possible, price each *variation* using the following order of precedence:

- (b) rates or prices in a *price schedule* to the extent that it is reasonable to use them;
- (c) *variation rates* (or where no applicable *variation rates* are included in the *Contract*, other applicable rates or prices in the *Contract*);
- (d) reasonable rates or prices, which shall include the percentage stated in *Item 27A* for profit, and if the *Superintendent* considers it reasonable to do so, the percentage stated in *Item 27A* for overheads,

and any deductions shall include the full value of the deducted *work* (including profit and overheads) unless the *Superintendent* considers it reasonable to exclude an amount for overheads, in which case the amount so excluded shall not exceed the percentage stated in *Item 27A* for overheads.

That price shall be added to or deducted from the *contract sum*, as the case may be.

- (a) identifies the *informal variation direction*; and
- (b) states that the *Contractor* considers the *informal variation direction* is a *direction* for a *variation*,

The *Superintendent* shall, before the end of the *response period*, issue to the *Principal* and to the *Contractor* a *progress certificate* evidencing the *Superintendent's* opinion of that balance and, if that balance is different to the amount claimed by the *Contractor*, the reason for that difference.

If the *Contractor* does not make a progress claim in accordance with *Item 28*, the *Superintendent* may nevertheless issue the *progress certificate*.

Unless the *Principal* itself issues a *payment schedule* which complies with the requirements of the *security of payment legislation* within the timeframes permitted under that legislation, the *Superintendent's progress certificate* or *final certificate* (as the case may be) shall be deemed to be the *Principal's payment schedule*, and to the extent that it is necessary for the *Principal* to do so, the *Principal* authorises the *Superintendent* to receive progress claims and issue *payment schedules* on its behalf.

Subject to the following paragraph, if the *progress certificate* shows that an amount is due to the *Contractor*, then the *Principal* shall pay the amount of the *progress certificate* before the end of the *payment period*. If the *progress certificate* shows that an amount is due to the *Principal*, the *Contractor* shall pay the *Principal* the amount of the *progress certificate* within 15 *business days* after receiving the *progress certificate*.

The party entitled to receive payment must provide a tax invoice in the form required by the *A New Tax System (Goods and Services Tax) Act 1999* (Cth). If the payment is a progress payment to be made by the *Principal* to the *Contractor*, then the tax invoice shall be in the amount of the *Superintendent's progress certificate* and must be provided to the *Principal* within 5 *business days* of receipt of such *progress certificate*.

To the extent permitted by law, if the *Superintendent* fails to include a *required deduction* in a *progress certificate*, then the *Principal* may nevertheless deduct that *required deduction* from the amount shown in the certificate and pay the balance (if any) to the *Contractor*.

Neither a *progress certificate* nor a payment of monies shall be evidence that the subject *WUC* has been carried out satisfactorily. Payment other than *final payment* shall be on account only.'

In the second paragraph of subclause 37.4, delete 'Within 42 days after the expiry of the last defects liability period' and insert 'Before the end of the *response period*'.

Delete the third paragraph of subclause 37.4 and replace with:

'If the *final certificate* shows that an amount is due to the *Contractor*, then the *Principal* shall pay the amount of the *final certificate* before the end of the *payment period*. Otherwise, the *Contractor* shall pay the *Principal* the amount of the *final certificate* within 15 *business days* after receiving the *final certificate*.'

- 39A.2 (**Obligations and rights after termination**) If the *Principal* exercises its right under this clause 39A, then:
  - (a) the *Contractor* must comply with all reasonable *directions* of the *Principal* in connection with the termination;
  - (b) the *Principal* may complete the uncompleted part of *WUC* itself or have it completed by others; and
  - (c) the *Principal* may, without payment of compensation to the *Contractor*, take possession of and use any documents (including design documents) and any goods which have become the property of the *Principal* and the *Principal* shall have a right of access to any premises at which those things are held in order to recover possession of those things.
- 39A.3 (**Payment on Termination**) The *Superintendent* shall issue a certificate evidencing, and the *Principal* shall, subject to the *Contract*, pay the *Contractor*:
  - (a) the same payments that would have been payable if the *Contract* was frustrated under clause 40 with references to 'frustrated' and 'frustration' in clause 40 being read as references to 'terminated' and 'termination' respectively; plus
  - (b) an additional amount equal to 5% of the balance of the *contract sum* remaining after deducting all amounts paid or payable to the *Contractor* pursuant to the *Contract* (including under subclause 39A.3(a)),

Without limiting the *Principal's* other rights, where the *Contractor* fails to carry out any obligation under the *Contract* (including the obligation to comply with a *direction* of the *Superintendent*) within the time required by the *Contract* or reasonably directed by the *Superintendent* for performance of such an obligation, the *Principal* may, after giving 5 *business days* notice (unless urgent action is required, in which case the *Principal* need not give notice) to the *Contractor*, carry out that obligation itself or have it carried out by others.

If the *Principal* incurs more cost in carrying out the obligation itself, or having it carried out by others than it would have incurred if the *Contractor* had carried out the obligation then those additional costs shall be a debt due and payable by the *Contractor* to the *Principal* and shall be certified as such by the *Superintendent*. The *Principal* shall be entitled to have access to the *site* and any other place where an obligation under the *Contract* is to be carried out in order to exercise the rights provided by this clause 39B.'

In subclause 41.2, delete 'a party' and replace with 'the *Principal*' and delete 'the other party' and replace with 'the *Contractor*'.

Insert the following at the end of subclause 41.3:

'For clarity, within 42 days of receipt of a *prescribed notice*, the party receiving a *prescribed notice* may give the *Superintendent* and the other party submissions in respect of the *claim* and the *Superintendent* shall be entitled to consider those submissions in assessing the *claim*.'
